

## Reading Plan #2

Read 5 chapters a day, 5 days a week—or 25 chapters per week. The beauty of plan #2 is that it gives you two types of “grace” periods. One, you have two open days a week to complete your readings. If you make your reading days Monday through Friday, for example, you can catch up on the weekends. Two, it only requires 47½ weeks to complete plan #2. You have a full 4 weeks open, in case you get behind a week or two because of other commitments.
